

## MEMORIAL RECEPTIONS

We know this is a difficult time for families – so many things to do in a short period of time.

Our ABC Menus may be dropped off at your chosen location, or you may want our discreet catering staff to set up, maintain and clean up the reception, leaving your family free to greet attendees.

We'll also help you with menu choices and quantities.

Please let us know how we can be of assistance, (585) 244-2870.
